

SUNDAY SCHOOL

Lainie Christou, Director

Greetings to all! Our Sunday School has had an excellent beginning to the 2009/2010 school year. Our teachers have been trying to juggle their busy lives along with donating their time on Sunday mornings and we thank them tremendously for that. In this issue you will find the current student list for the Sunday School. If there are any additions or corrections please let me know through email at greekschoolalb@hotmail.com.

The students in both our schools (Greek School and Sunday School) have been getting their pictures taken recently for the yearbook this year. It is the first time that we will be combining the yearbook with the Greek School (this will be the 4th bi-annual yearbook for them) to have a St. Sophia Greek School and Sunday School yearbook. There will be special pages for the graduates, pages for all the events at St. Sophia that our children have been involved with as well as individual pictures of all students. The yearbooks will be for sale beginning in January. This is not meant as a fundraiser but rather an opportunity for parents to have a keepsake of their children's years in their respective schools here at St. Sophia. We will charge the amount that we are charged to produce the yearbook. Keep in mind that we will only order what has been pre-sold. Please ask your child if they have already had their photo taken. If not can you let me know again via email so I can make sure that our photographer, Dino Patelos, will take their photo as soon as possible. Also, we welcome any candid photos of events at St. Sophia from last school year and this school year. I am trying to include as many photos of a variety of students, but I can only include what I have. Therefore, if you

want your child in more photos, then please give them to me. You can leave them in the Sunday School mailbox at church or email me them.

In addition, you have probably noticed the new bulletin board glass case to the right of the Damaskos room as you enter church. This will be for the purpose of displaying various Sunday School projects and activities. Our first class will be the pre-school class for the month of November. Every month will be a different class or classes with their pictures, names and projects. We hope this will provide some insight to the community on what the students are learning in the classrooms.

A reminder that the Sunday School and Greek School students will be participating in a short celebration of the Three Hierarchs and Letters Day in church after services on January 31st.

By the time you read this it will be December and we will be celebrating the holiday season. A joyous Christmas and New Year's to all.
